

Quality Policy

Saint-Gobain will consistently provide products and services that meet or exceed the requirements and expectations of our customers by promoting an environment of continuous quality improvements of our products and processes: We will be proactive and engage employees to take responsibility for quality assurance. We will implement programs that enable each employee to do their job right the first time ensuring:

- Adherence to statutory, regulatory and technical requirements for the products and services we offer
- On-time delivery to customer commitment
- Continuous pursuit of zero-defect
